XC/Track Booster Club**

Meeting Minutes for January 27, 2014

The meeting of the FMHSCCTBC was called to order at 7:00 pm. Quorum was established.

The minutes of the November 5, 2013 were distributed via email and approved as written.

Refreshments of Pizza and water were provided and Track clothing that was previously ordered by athletes was distributed at the meeting.

Coach's Report – Andrew Cook:

Assistant Track coaches were introduced. After school practice will be held from 3:45 – 5:00 pm. Parents are encouraged to fill out the required paperwork online for their athlete. Coach encourages all athletes to try all events. There will be qualifying for track meets. Seniors will not be running in JV meets. Team goals were discussed.

Equipment and uniforms are provided, however a mandatory t-shirt is required for meets. Also, other clothing items such as sweats are recommended. Clothing can be ordered online at Flipdogclothing.com.

If parents want to take their athlete home from a meet, they must sign them out. Parents are reminded that they may only sign their own child out.

The track schedule and meet information can be found on the web site at FMHSrunning.com. You can also follow on twitter @FMHSrunning. Meet information including bussing may be tweeted.

All parents are encouraged to join the Booster club. The club provides meet fees, uniforms, equipment and transportation as well as volunteers for events including the Flower Mound Invitational Track Meet and Middle School meets.

President's Report – Dan Hamstra:

The FMHS XC/Track Booster club board was introduced. All parents are encouraged to join. Memberships start at \$50 and you may join by writing a check or online at Flipdogclothing.com.

Volunteers are needed for the Flower Mound Invitational including: Gate, concessions, coaches hospitality room, field events (shot put, discus, long jump & triple jump), hurdles, etc. Sign up sheets were available and will be posted on the web site.

We are also in need of volunteers to work the gate and concessions at Middle School track meets. Sign up sheets for those dates were available and will be posted on the web site.

We are always looking for ways to improve the club and encourage more athletes to participate in both track and cross country. One event we will be looking at in May will be to host a One Mile “fun run” for elementary age students. We will be targeting the FMHS feeder schools. We are looking for volunteers to help contact PE teachers and administrators to coordinate this event and disseminate information.

The meeting was adjourned at 7:45.
